Dear Mr. Paris,

Following your e-mail of 4th of January 2017, we would like to inform you the following:

On July 26, 2016, RENAR's Accreditation Council decided to suspend the Accreditation Certificate issued to GENERIC MANAGEMENT SERVICES PVT LTD.

Due to the fact that the suspended CAB continued to use the accreditation logo during its suspension, RENAR's Accreditation Council decided on the 24th of October to withdraw the Accreditation Certificate issued to GENERIC MANAGEMENT SERVICES PVT. LTD, as stated on RENAR' s procedures.

On November 1st, 2016, RENAR informed GENERIC MANAGEMENT SERVICES PVT. LTD. about the withdrawal of the Accreditation Certificate and on November 24<sup>th</sup>, 2016, the CAB appealed that decision.

RENAR also informed GENERIC MANAGEMENT SERVICES PVT. LTD, together with the withdrawal decision, that the CAB is not allowed anymore to issue documents under the accreditation, nor to use the logos or to make any remarks about it's accredited statute.

Also, RENAR informed GENERIC MANAGEMENT SERVICES PVT. LTD that continuing to use the accreditation logo, after the withdrawal of the accreditation, entitles RENAR to protect its logo through legal actions.

In this moment, the Commission for Appeal Treatment is analyzing the appeal submitted by the CAB.

As soon as we have a final decision regarding the withdrawal of the Accreditation Certificate, we will inform you.
